

The Leadership Development Program for Emerging Leaders

October 27th-31st, 2024 | 6:30 PM -8:30 PM

Course Summary

This 5-day intensive leadership program is designed for ambitious professionals who want to refine their leadership style, enhance their decision-making skills, and lead teams effectively. With a blend of theory, practical exercises, and real-world case studies, participants will walk away with the tools and insights they need to thrive in today's fast-paced and complex business environments.

- ❖ **Day 5: Personal Leadership Development**
Participants will reflect on their personal leadership journey, develop actionable leadership goals, and create a plan for continuous leadership development.
- ❖ **Bonus Segment: AI and Leadership in the Modern Era** Participants will explore how AI is reshaping leadership, from decision-making to organizational culture, while discussing ethical considerations.

Course Outline:

- ❖ **Day 1: Leadership Foundations**
Participants will explore the core principles of leadership, differentiate it from management, and discover key leadership qualities through self-assessment and group activities.
- ❖ **Day 2: Visionary Leadership**
Participants will learn how to develop and communicate an inspiring leadership vision while practicing strategic thinking and planning skills.
- ❖ **Day 3: Communication Mastery**
Participants will master effective communication techniques, including crafting persuasive messages, public speaking, and influencing others.
- ❖ **Day 4: Leading Teams**
Participants will delve into team dynamics, explore strategies to motivate and engage teams, and tackle common team challenges through interactive exercises.

Profile of the Facilitator:
Dr. Abdulaziz Abumilha

Dr. Abdulaziz Abumilha is a dynamic and results-driven leader with over 15 years of experience in strategic leadership, program management, and organizational excellence.
